

**Your one-stop solution for studying smarter, not harder.**

# Story behind it

**Busy** college students seeking  
**accelerated learning**

To **learn** they make  
**summaries, watch videos** and  
make **flash cards**

They spend **so much time**  
making the study material

They **don't have enough time** to learn deeply!

Feel **disappointed** because they are in a **loop!**

# Problem

What are the problems with traditional studying and making own study material ?

**01**

Finding study  
Materials is Time  
consuming

**02**

Lack of interactive  
studying tools

**03**

Lack of guidance

# Solutions

How did Study Sync solve those problems?

**01**

Generative Mind  
Maps

**02**

Variation in study  
material to suit all  
learners

**03**

Generated Study  
Material

# Features

**1** Input a text, PDF, PPTX or a YouTube link

**2** Detailed Summaries

**3** Create Flashcards

**4** Create a multiple choice quiz

**5** Create interactive mind map

**6** User friendly interface

# Generate!

Your one-stop solution for studying smarter, not harder.

## Get Started

Input Study Material:

Video transcript

What should I generate?

- ☒ Questions and Answers
- ☐ Multiple choice questions
- ☐ Summarization
- ☐ Bullet points

Select Complexity:

Enter the URL of the video:

<https://www.youtube.com/watch?v=7-FZBgRW4RE>
